

# STORE SUPPLIES/PROMO MAGNETS

**PRINTMAGNET™** Inkjet printable magnetic sheeting can be used with most inkjet printers to create colorful signs and graphics that will adhere to magnetically receptive surfaces. Additionally, make magnetic business cards easily with PrintMagnet™ Business Cards. Each sheet is perforated with ten 3½" x 2" business cards.

**A** *PrintMagnet™ Business Cards, 8½" x 11", 3 sheets, 10 cards per sheet . . . . . Part No. 08033*

**B** *PrintMagnet™, 8½" x 11", 3 sheets Part No. 08030*  
*PrintMagnet™ is also available in packs of 25 and 100 sheets w/UPC, as well as rolls. Call about bulk requests.*

**MAGNETIC HANDY CLIPS™** Nickel-plated clips are ideal for lightweight indoor signage. Each clip holds up to 3 pounds. Also useful for posting memos and messages in employee break rooms, customer service areas, etc.

**C** *Handy Clips™ . . . . . Part No. MHMC030*

**MAGNETIC HANDI-HOOK™** Nickel-plated magnet with hook is great for hanging banners, ceiling signs and more. Lifts up to 20 pounds!

**D** *Handi-Hook™ . . . . . Part No. MHHH20*

**WHITE MAGNETIC HOOKS** Great for hanging decorations, accessories and more. Coated with white enamel paint, these hooks blend well with most retail environments and boast extreme strength for their size.

**E** *9 lbs. pull strength . . . . . Part No. MHHH9*

**F** *14 lbs. pull strength . . . . . Part No. MHHH14*

Items on these two pages are available without packaging in bulk quantities.

Magnetic inventory labels are perfect for use in retail stores, warehouses, medical and postal facilities, libraries and stock rooms equipped with metal shelving units or storage bins.

**FLEXIBLE MAGNETIC DATA CARD HOLDERS** are pre-formed channels designed to hold printed or hand-written data cards (available at office supply stores). Channel widths are 3", 1.830", 0.950" and 0.475". Available in rolls or cut to length.

**G** *Data Card Holders. . . . . Call for Pricing*

**FLEXIBLE MAGNETIC STRIP** with vinyl on one side is available in ½", ¾", 1", 2", 3" and 4" widths. Write on vinyl with permanent or erasable markers. Available in rolls or scored to length.

**H** *Magnetic Strip . . . . . Call for Pricing*

**MAGNETIC BULK LIFTER** Pick up and transfer nails, screws, nuts or any small metal objects, then pull the handle to release them in the desired location. Prevents injuries from sharp metal objects. Heavy-duty canister is lightweight and features an easy-to-grip handle. The super powerful magnet lifts up to 13 lbs! 3½" dia. x 8¾" high.

**A** *Magnetic Bulk Lifter* . . . . . **Part No. 07252**

**HEAVY DUTY MAGNETIC BASES** Extra strong magnetic bases are useful for P.O.P. displays and in-store signage. They can also suspend heavy items such as speakers, lights and displays.

**B** *200 lbs. pull* . . . . . **Part No. RB100**  
*95 lbs. pull* . . . . . **Part No. RB80**  
*65 lbs. pull* . . . . . **Part No. RB70**  
*25 lbs. pull* . . . . . **Part No. RB50**

**C HOLD EVERYTHING MAGNET CAPS** A magnet powerful and versatile enough to capture customers' attention. The colorful polystyrene cap can be screen printed with your logo, phone number, website and/or address. Choose from ten brilliant colors: white, blue, yellow, purple, green, red, orange, black, gray and pink. Each magnet measures ½" x 1" x 2".

**D SEW WANDERFUL™ AND WRISTWRAP™ MAGNETIC PIN HOLDERS** Sew WANDerful™ is handy for picking up and storing pins, needles, paper clips, tacks and other metal items with ease. WRISTwrap™ keeps paper clips, tacks and other metal items within reach, right on the wrist. Both items can be screen printed with your logo, website, phone number and/or address and are available in eight brilliant colors: light blue, yellow, purple, green, red, dark blue, orange and pink.

Contact us for ordering details. Minimum quantity of 250 pieces. Printable area is 2¼" x 1⅛" for wands and 1¾" x ¾" for caps. Artwork must be submitted digitally in line art form and reproducible in black or white ink. Custom ink colors and design services available at extra charge.

For more information on any of our products, please call us at 1.888.293.9190, or visit our website at [www.magnetsource.com](http://www.magnetsource.com).

NOTE: All magnets are tested using 1/4" ground steel plate. The entire magnetic surface is used during tests. If the item you wish to lift is thinner than 1/4", is not ground flat, or does not cover the entire magnetic surface, the actual holding capacity could be much lower. Painted surfaces also tend to reduce tested strengths.
